Set This Season's Styles

I AM celebrating my fifteenth season selling Men's Fall
Hats that are remarkable values even for my three hat
stores, with their large selling organizations and their
consequent small margin of profit on each sale.

MY SERVICE

I keep the hats you buy from me in good condition. I deliver
to all parts of the city. I cheerfully refund money without any
questions. I have an extra force of experienced salesmen for all
rush occasions—for today, for instance. This means the kind of
service your money rightfully deserves.

MY STOCKS

are practically unlimited, so you can buy a fall hat of any color,
size or shape with the positive assurance that you are going to like
your selection—GUARANTEED BY ME, PERSONALLY.

How About Your Kitchen—Does
"The Heat" Reach It In Cold Weather?
If Not How Would You Like to Have

A Little Kitchen Heater Like The One In The Picture

These little kitchen heaters are but 14 inches wide—
they set right alongside the gas range—they eat an in-
significant amount of fuel and are built to burn all sorts
of sweepings, wrappings and refuse.

We sell hundreds of these little heaters at this season of
the year and install them in the best built homes in Chicago.

Order yours at any of our branch stores or our big
salesroom downtown.

If you have a coal stove now in use in your kitchen (four
hole or larger) we will take it in exchange for a
kitchen heater, allowing \$5.00 on the purchase price.
